RC-6033563

Cranston seemed to have an open mind. Palumbo of PM went to meeting. A successful meeting mention of Cohn patent.

Visit of John Ruffin + Horace to testing laboratory. Issue of cigarette as an ignition source. The Maryland Bill - hearing on March 7 + 8th. What is TI going to do. Cranston meeting followed Moody meeting. Jim Spears + Walsum have done the explaining. Reference to Bias Case. The filter is a less source of ignition. Spears + Walsum would testify at a hearing. Did not get into the anti-trust issues. Industry cannot get together.

Kennedy Recommendation - do research in our own labs. Visit to Milford Lab. Mills - says Mobily realizes the problem are greater than known. Mills thinks there will be no hearing this year.

Horace has had meetings with Kyendahl - taxon congressman. Furniture manufactures are getting aroused again. The southern manufacturers. CPSC. Jim Rabun operates Milford Lab. near Greensboro. He says even with unfiltered cigarettes using class 1 + 2 fibers - cuts 80% of ignition.

Marlow Cook - Hearings March 10 + 11th. Coopers & Lybrand made the study. Dick Russell as a technical witness. Don't need industry witness. Must win case on technical merit. Marlow thinks the whole package is dead but most corporations have shown little interest. Hope Committee rules that only Congress can accelerate taxes & not administratively. 3 billion dollars involved. Net tobacco exposure $65,100,000.00 % 10,400,000. after deduction exposure $12,000,000 but it is the principle that it should not be done administratively. Electronic taxing.

Jim MacIntyre - OMB hates cigarettes. States to go after state stamps. BHTF - wants to talk about state stamps. Holtzman of NY tells BHTF - which has no authority
