Tax Substantiation Act. Yes we use F11.
Dr. Aviado is aware of from problem.
There may be an F11 hearing at some point.

AMA – Homeopy.
AMA ERF fund. + publish volume.
$546,582.00 interest income from fund
$30,000 to publish. Under the Agreement
none of the money will be returned
to the donors. – Wants to use
money for unrestricted medical &
health. See Homeopy Memo of November.
Go to CTR. or Howard Project.
ABI favors CTR. Howard could be
a selfish use. As to the publication
the less publicity the better. AMA
wants to announce termination.
See Letter of Oct 20, 1976. Rt to
critique Publication. We certainly
do not want to endorse the
Publication.

FTC Warning Notice Case.

Chone - Magistrate ruled on minutes & did not waive govt. attorney privilege. Govt has now filed appeal with Judge. Austin — F

Govt policy memos, work product, attorney privilege, - informers privilege.

(1) RJR encompasses negotiations & compliance investigation.

Austin — the 4 black books. + 3 additional volumes on investigation. The FTC minutes were nothing minutes taken by Virginia Harding. — action minutes. Govt has not turned over Virginia Hardings minutes.

Chone

Govt has not asked for documents prior to 1972. - negotiations. RJR only got summary minutes & not Virginia Hardings minutes - reference to other documents. Doyle only gave summary minutes of FTC.

RJR only listed documents in RJR files & not those in lawyers hands.

See new privilege case.

LG2000614

Govt must show need for compromise
+ to consolidate. RJR needs documents
for exculpation.
HBI may give them anything.

Silver - Weinberg talk him on + me.
+ stated he was working on billboard.
Silver to telephone him in next couple
of days.

Larry Meyer - one on one with Weinberg.
HBI - Metalo - we have received
nothing relative to future compliance.
LA - want to settle fast.
PM - let B+W's counsel poke
Weinberg.
HBI - money on the table won't
solve future compliance.

Weinberg - is thinking only on money +
bill boards.

Meyer - TPI of RJR's stipulation.
