Re: IIT Research Institute

Gentlemen:

I enclose herewith a proposal from the above organization concerning "Investigation of Self-Reporting Questionnaires for Environmental Tobacco Smoke." This proposal has been considered and approved by the Environmental Tobacco Smoke Advisory Group. Dr. Sommers has also reviewed the proposal and considers it worthy of support.

The proposed budget for this project is $70,000 and it is estimated that approximately 7.5 months will be required to complete the study. We recommend approval of this proposal as a CTR Special Project.

I would appreciate your consideration of this proposal and will look forward to receiving your decision.

Sincerely,

Donald K. Hoel
