1,700,000 — 5 yrs. 50% / smoking; 50% non smoking

original 2.5 X 10^6 $ and no smoking - increased to 35% then 50%

Hardy / How much of work done by committee will be done by members + how much done by Hardy's office?

Who + How will pay lawyer —

Hardy suggests that we not adopt formal guidelines for usual reasons.

Primary objective today is to try to state goals of committee — after discussion + suggestion from Judge — who is committee — 6 members from Tobacco Co / others are consultants —

Judge - Establish criteria for funding of research

Hardy - Need a discussion of all research projects being funded by industry.

Hatsko - Who pays how much for each project.

Bates - Really need to talk about + categ in — Legal, P.R., legislative, research — each is different and motivations are different.
