The Ad Hoc Committee has arranged for the availability of the following doctors to speak for the "anti-causation" point:

Drs. Thomas H. Burford
Douglas H. Sorunt
Charles E. Dunlap
Harry S. N. Greene
L. Henry Garland

George Allen's speech has already been taped and there will be a tape taken of Dr. Little.

At this juncture the head of the Esty Advertising Agency which has been the liaison with NBC feels that it must withdraw. Mr. Gray has apparently arranged to have Mr. Darragh of Hill & Knowlton take over the liaison with NBC. The Ad Hoc Committee will stay in contact with our doctors but no prepared statements by any of the doctors can be used, since NBC will conduct a question and answer type of interview.

NBC has agreed that they will not use any of our doctors' statements without first having cleared that portion which it selects with each doctor. I trust this is satisfactory since arrangements must go forward promptly.
