Self-Extinguishing Cigarettes. Kupp.
Two hearings on the state level. Mass + Conn. Bill introduced in Calif. (Gordon Dumont). Bureau of Home Furnishings.) NY - Granice in New York to bring up bill. Plan on Hearings in Calif, N.Y + Kansas. Kansas 1/2 ¢ to fund research on Cigarettes - Self Extinguishing.
Mass. Hearings were friendly. Committee very friendly + disapproved bill but bill is still alive. Conn. Hearing were bad. Grenfield was well informed + is sponsor of bill. Danville House burned from Cigarettes. Areas of questioning burn enhancing additives. See Kirsey - what are the burn enhancing additives. No transcript of hearings. Now on floor of the House in Conn. It is no longer a Coffer. Kupp recomends - ① speed up preparation of local people. ② local people the best ③ Product liability issue. ④ films + scarred people ⑤ U.S. Fire Administration ⑥ Shriner's Burn Hospital.
Northrup + Kupp - drafted letter to be

used by Conn lobbyist. Rupp has drafted a basic statement. There is an Ad Hoc Committee. More pressure at the state level than at the Federal level. 1/2 ¢ tax for fire prevention in Iowa.

Federal Level – Fire Data & U.S. Fire Administration – Horace & Rupp met him. He is not a crusader. TI considers employing him as a consultant. A good witness. He set up his own consulting firm. Philip Schaerman is the guy. National Fire Administration fires down due to devices-smoke. Study in Switzerland. 4/5 ths less fires in Switzerland. Cigarettes are the cause of last resort. Subsidiary of Specific Planning Corporation. Rupp & Horace meeting with Joe Gerard of UFHC. UFHC wants help in furniture & public education.

Joint research activities – Anti Trust Clearance. Stevens – Justice Dept. Clearance. Anti Trust problems are low.

Federal Hearing – no new talk

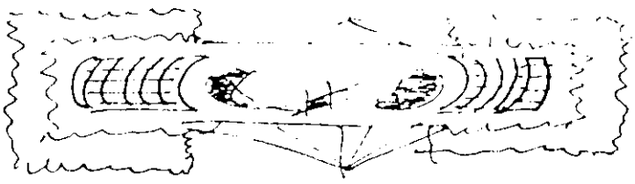
Ingredients - Additives See Lembo report (Letter - Memo of Mar 15, 1982) on meeting with Brandt.

① "commonly added" - All cos. agree to list of more than 12 additives. 16 or 18 no. ingredients. Go back with 30 more & should tell Gen Lembo on any dangerous ingredient.

Cocoa & glycerin (acrolein) - breaks down. How do we assume them that there is not a danger

② They bought it.

③ He is going to see outside people. He won't give us a veto. Only one person would see the list - Proto. Why not ask them for a list. Don't get old worn out anti tobacco people - Detroit Hoffman. Even Winder has a chapter on ingredients. Also Jessie Stanfield. "Selection should not be a red flag." Waldbaum is bad. Watch out for those that are politized.



They can't have list - Jack Anderson.

(4) Rusberg is right.

(5) "We don't want to harm our own customers". Brandt to come back on this matter. We will hear from Rusberg soon. Packwood hearing on the 26th. If we don't hear from them before the 26th we should move.

Same old question of combustion.

Hoo may on the expanded list.

Lenko will let us know which ingredients are on the list. 90% by Weight.

Request for CO data from FTC.
Arken analysis.
no established methodology for testing.

Horace:
Will there house or senate? Too many factors in legislative process. Get all Republicans & 3 Democrats.

"Don't let up or it will be the wrong mistake" — Horace

Will not passed this year.
