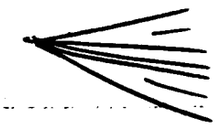
Dec. 19th



A. Adversary Needs — many short-term

B. Defensive Research (polonium?)

C. Basic Research not designed for A or B

Priorities only; no abandonment of others. In most instances, unanimity. If not (few cases), they are included.

D. Special Projects — re benefits - not specific because no one knows much about it. Scratch

Brinkman
Langston
Kelly
Severi etc — see report
Palmer (S. africa)

Matters already on agenda of C.T.R. omitted. (I-1, for instance).

ATC Immediate retaliatory projects

C.T.R. understaffed — don't want to hire a man just because he has qualifications.
