

# TRACK

FEDERAL LEGISLATION IN FDSYS

# Tracking a piece of legislation is easy using FDsys.

1

## History of Bills

Chronologically lists all bills and resolutions that are reported in the Congressional Record. A History of Bills entry lists page numbers of the Congressional Record where House and Senate proceedings can be found, as well as names of sponsors and co-sponsors of bills, important dates, and actions taken on bills. The History of Bills gives a brief snapshot of every action taken on a particular piece of legislation.

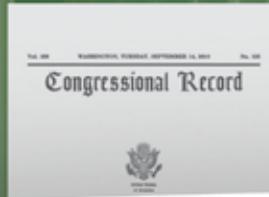

2

## Congressional Bills

Contains all published versions of bills in the House of Representatives and the Senate. A Congressional Bill provides the full text of the particular version of a bill and includes information such as the full title, bill number, and date the bill was passed.

3

## Congressional Record

Contains the official record of the debates and actions of the House of Representatives and the Senate. The Congressional Record serves as a transcript of the proceedings of Congress.

4

## Bound Congressional Record

Consists of all daily editions of the Congressional Record for a session of Congress. Daily editions are collected, repaginated, and reindexed into a permanent bound edition.

5

## Public and Private Laws

Contains all bills that have been signed into law by the President. Public and Private Laws contain the full text of the law and include information such as the full title, law number, date the law was passed, and corresponding Statutes at Large and U.S. Code citations.

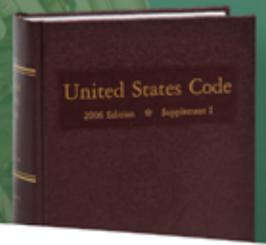

6

## Statutes at Large

Serves as the permanent collection of all laws and resolutions enacted during each session of Congress. Every public and private law passed by Congress is published in the Statutes at Large in order of the date it was enacted into law. Also included in the Statutes at Large are concurrent resolutions, proclamations by the President, proposed and ratified amendments to the Constitution, and reorganization plans.

7

## United State Code

Contains the codification by subject matter of the laws of the United States. The U.S. Code is divided into 50 titles on broad subjects and is updated every six years with annual supplements released.

FDsys is a service of the U.S. Government Printing Office.
