

# Celebrate Earth Day!

April 22, 2006

## Guinea's soil is washing away ...

*What is soil erosion and what's being done about it?*

## Fight against world hunger.

*What happens when the Earth provides insufficient nourishment to a population?*

## Reduce, Re-use, Recycle

*Do you know the important facts about conservation?*

## Don't be an energy hog ...

*What are the major causes of energy waste?*
