

# Celebrate the World!

April

## *Earth Day*

Help your students join Peace Corps' environmental Volunteers around the world celebrate Earth Day. Study the positive and negative effects that we have on our environment.

Check out:

- o Earth Day for Global Educators-Country-specific lesson plans concentrate on a country's culture and geography
- o *"Reduce, Re-use, Recycle"*-An environmental letter from Romania
- o *"The True Cost of Coffee"*- Letter describing economic pitfalls of a one-crop economy in Honduras

*Celebrate the Environment!*
