

Open House Schedule

Please join Superintendent Bill Laitner and Olympic National Park staff at an open house to learn more about the Draft General Management Plan and its alternatives. Park staff will be available to discuss the plan and answer your questions and there will be poster displays, maps and information, along with opportunities for you to provide your input on the Draft GMP/EIS. There will be no formal presentation, so you are welcome any time during the meeting hours.

We look forward to seeing you!
