INTRODUCTION

The Directorate of Academy Libraries is pleased to present this 92nd issue of the Air Force Academy Libraries' *Special Bibliography Series*. It was prepared by Ms. Frances Scott of the Academic Library's Reference Branch. Most of the books in this highly selective bibliography were published in the last ten years; most of the journal articles, report literature, and government documents in the last five. All are available in the Academy's Academic Library.

This bibliography was developed to support the 40th Air Force Academy Assembly sponsored by the Academy's Department of Political Science. The theme for the 1998 Assembly is:

Africa and U.S. National Interest: The Importance of the *Forgotten* Continent.
The Academy will welcome approximately 150 delegates, representing about 80 colleges and universities, to the Assembly on 17 – 21 February 1998.

Libraries wishing to receive copies of the Academy's *Special Bibliography Series* may request a copy by writing:
