

# Explore America's Estuaries from your **CLASSROOM!**

**JOIN** classrooms from around the planet and learn about our nation's estuaries on **ESTUARY LIVE!**, an interactive Web broadcast in celebration of National Estuaries Day.

**LOG ON** and explore the diverse plants and animals in our nation's richest resource. Trained naturalists will take you on an estuarine odyssey. Become part of the adventure by emailing your questions during the broadcast and have them answered live on the Web!
