

SETTLEMENT AGREEMENT

I. PARTIES

This Settlement Agreement (Agreement) is entered into between the following (hereinafter the Parties) through their authorized representatives: the United States of America, acting through the United States Department of Justice and on behalf of the Office of Inspector General (OIG-HHS) of the Department of Health and Human Services (HHS); the TRICARE Management Activity (TMA) (formerly the Office of Civilian Health and Medical Program of the Uniformed Services (OCHAMPUS), through its General Counsel; the Office of Personnel Management (OPM), which administers the Federal Employees Health Benefits Program (FEHBP), through the United States Attorney's Office for the District of Columbia (collectively the United States); and the hospitals listed in Exhibit 1 hereto (collectively the Settling Hospitals).

II. PREAMBLE

As a preamble to this Agreement, the Parties agree to the following:

A. The Settling Hospitals are each independent corporate entities which, at one time or another during the period January 1, 1990 to the present, were operated by subsidiaries of Tenet Healthcare Corporation, a Nevada Corporation, the headquarters of which is located in Santa Barbara, California.

B. The Settling Hospitals submitted or caused to be submitted claims for payment to the Medicare Program (Medicare), Title XVIII of the Social Security Act, 42 U.S.C. §§ 1395-1395ggg, the Medicaid Program, 42 U.S.C. §§ 1396-1396v; the TRICARE Program (hereinafter referred to as TRICARE), 10 U.S.C. §§ 1071-1110; and the FEHBP, 5 U.S.C. §§ 8901 et seq. (collectively the federal health care programs).

C. The United States contends that it has certain civil claims against the Settling Hospitals under the False Claims Act, 31 U.S.C. §§ 3729-3733, other federal statutes and/or common law doctrines, as specified below in Paragraph III. 2, for engaging in the following conduct at some point within the period from January 1, 1990 through December 31, 2000: Improperly submitting or causing to be submitted to the federal health care programs non-reimbursable non-inpatient claims for laboratory tests designated by the CPT Codes in the 80000-89999 range, or by CPT code 36415, without regard to whether they were medically necessary, had been properly ordered by physicians, or were otherwise reimbursable under such federal health care programs (hereinafter referred to as the Covered Conduct). The United States contends that one or more of the Settling Hospitals engaged in the Covered Conduct. Notwithstanding any other provision in this Agreement, the Covered Conduct shall not include claims pertaining to the state-funded, as opposed to the federally-funded share of the Medicaid program.

D. The United States also contends that it has certain administrative claims against one or more of the Settling Hospitals under the provisions for permissive exclusion from TRICARE, 32 C.F.R. § 199.9, and permissive exclusion from FEHBP, 5 U.S.C. § 8902a and 5 C.F.R. Part 970, for the Covered Conduct.

E. The following states (the Participating States) contend that they have certain civil claims against one or more of the Settling Hospitals for the Covered Conduct: Alabama, Arizona, Arkansas, California, Florida, Georgia, Indiana, Iowa, Louisiana, Massachusetts, Mississippi, Missouri, Nebraska, Nevada, North Carolina, Oregon, South Carolina, Tennessee, Texas, Washington, West Virginia and Wyoming. The Settling Hospitals and the States will execute separate settlement agreements regarding these claims in exchange for the payment specified in Paragraph 1(b) below.

F. The Settling Hospitals specifically deny the contentions of the United States and the States as set forth in Paragraphs C, D and E, above. In particular, the Settling Hospitals deny that they engaged in any intentionally wrongful or reckless conduct in regard to laboratory claims or billings.

G. In connection with an audit of a selected subset of the Settling Hospitals for calendar years 1992 and 1995, and at the request of the United States, the Settling Hospitals have agreed to provide documents and other relevant information and have audited certain sample claims.

H. To avoid the delay, uncertainty, inconvenience and expense of protracted litigation of the claims set forth above, the Parties hereby reach a full and final settlement of the claims against the Settling Hospitals pursuant to the Terms and Conditions set forth below.

III. TERMS AND CONDITIONS

NOW, THEREFORE, in consideration of the mutual promises, covenants, and obligations set forth below, and for good and valuable consideration as stated herein, the Parties agree as follows:

1. The Settling Hospitals, jointly and severally, agree to pay to the United States and the States a total of seventeen million dollars (\$17,000,000.00) (the Settlement Amount), which is immediately due and owing as of the date of this Agreement as follows:

(a) The Settling Hospitals agree to make payment of the federal portion of the Settlement Amount, i.e., sixteen million one hundred eighty thousand dollars (\$16,180,000.00), by a single electronic funds transfer pursuant to written instructions to be provided by Michael F. Hertz, Director, Commercial Litigation Branch, Civil Division, United States Department of Justice, or his successor or designee. The Settling Hospitals agree to make this electronic funds transfer within fourteen (14) business days after their receipt of a fully executed copy of this Settlement Agreement

and written electronic funds transfer instructions, whichever occurs last.

(b) In accordance with the terms of the Supplemental Agreement to State Settlement Agreement Providing for Escrow of Funds (Supplemental Agreement), attached hereto as Exhibit 2, the Settling Hospitals agree to make payment of the States' Share of the Settlement Amount, i.e., eight hundred twenty thousand dollars (\$820,000.00), within the time period specified in the Supplemental Agreement. As set forth in the Supplemental Agreement, the States' Share of the Settlement Amount is to be held in escrow by the Florida Medicaid Fraud Control Unit until the Settling Hospitals have received executed settlement agreements from all of the Participating States. And further, as set forth in the Supplemental Agreement, if all of the Participating States have not returned executed settlement agreements within twelve months, the Florida Medicaid Fraud Control Unit has agreed to return the States' Share of the Settlement Amount (plus any applicable interest) to the Settling Hospitals. In the event that the latter event occurs, the Settling Hospitals shall have no further obligations under this present Agreement with respect to the Participating States, and the releases granted herein by the United States to the Settling Hospitals shall remain effective.

2. Subject to the exceptions in Paragraph 5 below, in consideration of the obligations of the Settling Hospitals set

forth in this Agreement, conditioned upon the Settling Hospitals' payment in full of the Settlement Amount, and subject to Paragraph 13, below (concerning bankruptcy proceedings commenced within 91 days of full payment of the Settlement Amount), the United States (on behalf of itself, its officers, agents, agencies and departments) agrees to release and hereby does release the Settling Hospitals, together with their current and former parent corporations, direct and indirect subsidiaries, divisions, affiliates, brother and sister corporations, predecessors, successors and assigns, along with the current and former employees, officers and directors of any of them from any civil or administrative monetary claim the United States has or may have under the False Claims Act, 31 U.S.C. §§ 3729-3733; the Civil Monetary Penalties Law, 42 U.S.C. § 1320a-7a; the Program Fraud Civil Remedies Act, 31 U.S.C. §§ 3801-3812; or the common law theories of payment by mistake, unjust enrichment, breach of contract, conversion and fraud, for the Covered Conduct.

3. In consideration of the obligations of the Settling Hospitals set forth in this Agreement, conditioned upon the Settling Hospitals' payment in full of the Settlement Amount, and subject to Paragraph 13, below (concerning bankruptcy proceedings commenced within 91 days of full payment of the Settlement Amount), the TMA agrees to release and refrain from instituting, directing, or maintaining any administrative claim or any action seeking

exclusion from the TRICARE Program against the Settling Hospitals, together with their current and former parent corporations, direct and indirect subsidiaries, divisions, affiliates, brother and sister corporations, predecessors, successors and assigns, along with the current and former employees, officers and directors of any of them, under 32 C.F.R. § 199.9 for the Covered Conduct, except as reserved in Paragraph 5, below, and as reserved in this Paragraph. The TMA expressly reserves authority to seek exclusion on a case-by-case basis of particular Settling Hospital(s) and/or such Hospitals' current and former employees, officers, agents and directors, from the TRICARE program under 32 C.F.R. §§ 199.9 (f) (1) (i) (A), (f) (1) (i) (B) and (f) (1) (iii), based upon the Covered Conduct.

4. In consideration of the obligations of the Settling Hospitals set forth in this Agreement, conditioned upon the Settling Hospitals' payment in full of the Settlement Amount, and subject to Paragraph 13, below (concerning bankruptcy proceedings commenced within 91 days of full payment of the Settlement Amount), OPM agrees to release and refrain from instituting, directing, or maintaining any administrative claim or any action seeking exclusion from the FEHBP program against the Settling Hospitals, together with their current and former parent corporations, direct and indirect subsidiaries, divisions, affiliates, brother and sister corporations, predecessors, successors and assigns, along

with the employees, officers and directors of any of them, under 5 U.S.C. § 8902a or 5 C.F.R. Part 970 for the Covered Conduct, except as reserved in Paragraph 5, below and except if excluded by the OIG-HHS pursuant to 42 U.S.C. § 1320a-7(a).

5. Notwithstanding any term of this Agreement, specifically reserved and excluded from the scope and terms of this Agreement as to any entity or person (including the Settling Hospitals) are any and all of the following:

(1) Any civil, criminal or administrative claims arising under Title 26, U.S. Code (Internal Revenue Code);

(2) Any criminal liability;

(3) Except as explicitly stated in this Agreement, any administrative liability, including mandatory and permissive exclusion from Federal health care programs;

(4) Any liability to the United States (or its agencies) for any conduct other than the Covered Conduct;

(5) Any claims based upon such obligations as are created by this Agreement;

(6) Any liability for express or implied warranty claims or other claims for defective or deficient products or services, including quality of goods and services; and

(7) Any liability for failure to deliver goods or services due.

6. The Settling Hospitals waive and will not assert any defenses the Settling Hospitals may have to any criminal prosecution or administrative action relating to the Covered Conduct, which defenses may be based in whole or in part on a contention that, under the Double Jeopardy Clause in the Fifth Amendment of the Constitution, or under the Excessive Fines Clause in the Eighth Amendment of the Constitution, this Settlement bars a remedy sought in such criminal prosecution or administrative action. The Settling Hospitals agree that this settlement is not punitive in purpose or effect for purposes of criminal prosecution or administrative action. Nothing in this paragraph or any other provision of this Agreement constitutes an agreement by the United States concerning the characterization of the Settlement Amount for purposes of the Internal Revenue Laws, Title 26 of the United States Code.

7. Except as provided in this Paragraph below, the Settling Hospitals fully and finally release the United States, its agencies, employees, servants, and agents from any claims (including attorney's fees, costs, and expenses of every kind and however denominated) which the Settling Hospitals have asserted, could have asserted, or may assert in the future against the United States, its agencies, employees, servants, and agents, related to the Covered Conduct and the United States' investigation thereof. The Settling Hospitals do not waive and expressly reserve the right

to pursue any and all defenses that the Settling Hospitals may have, by statute, common law, or otherwise, against the United States, its agencies, employees, servants, and agents resulting from the United States' pursuit of administrative action seeking exclusion against any Settling Hospital as a result of or related to the Covered Conduct, and the Settling Hospitals do not waive and expressly reserve the right to pursue all claims in direct response to such administrative action, if any.

8. The Settlement Amount will not be decreased as a result of the denial of claims for payment now being withheld from payment by any Medicare carrier or intermediary or by FEHBP or TRICARE or any State payer, related to the Covered Conduct; and the Settling Hospitals agree not to resubmit to any Medicare carrier or intermediary or to FEHBP or TRICARE or any State payer any previously denied claims related to the Covered Conduct, and agree not to appeal any such denials of claims.

9. The Settling Hospitals agree to the following:

a. Unallowable Costs Defined: that all costs (as defined in the Federal Acquisition Regulations (FAR) § 31.205-47 and in Titles XVIII and XIX of the Social Security Act, 42 U.S.C. §§ 1395-1395ggg and 1396-1396v, and the regulations and official program directives promulgated thereunder) incurred by or on behalf of the Settling Hospitals, or their current and former parent corporations, each of their direct and indirect subsidiaries,

divisions, affiliates, brother and sister corporations, predecessors, successors and assigns along with the current and former employees, officers and directors of any of them, in connection with:

- (1) the matters covered by this Agreement,
- (2) the Government's audit(s) and civil investigation(s) of the matters covered by this Agreement,
- (3) the Settling Hospitals' investigation, defense, and corrective actions undertaken in response to the Government's audit(s) and civil investigation(s) in connection with the matters covered by this Agreement (including attorney's fees),
- (4) the negotiation and performance of this Agreement, and
- (5) the payments made pursuant or ancillary to this Agreement, including any costs and attorneys' fees,

are unallowable costs on Government contracts and under the Medicare Program, Medicaid Program, TRICARE Program, Veterans Affairs Program (VA) and Federal Employee Health Benefits Program (FEHBP). (All costs described or set forth in this Paragraph 9 a. are hereafter, "unallowable costs").

b. Future Treatment of Unallowable Costs: These unallowable costs will be separately determined and accounted for in non-reimbursable cost centers by the Settling Hospitals, and the Settling Hospitals will not charge such unallowable costs directly or indirectly to any contracts with the United States or any State

Medicaid Program, or seek payment for such unallowable costs through any cost report, cost statement, information statement or payment request submitted by the Settling Hospitals or any of their current and former parent corporations, each of their direct and indirect subsidiaries, divisions, affiliates, brother and sister corporations, predecessors, successors and assigns along with the current and former employees, officers and directors of any of them to the Medicare, Medicaid, TRICARE, VA or FEHBP programs.

c. Treatment of Unallowable Costs Previously Submitted for Payment: The Settling Hospitals further agree that within 90 days of the effective date of this Agreement they will identify to applicable Medicare and TRICARE fiscal intermediaries, carriers, and/or contractors, and Medicaid, VA and FEHBP fiscal agents, any unallowable costs (as defined in this Paragraph) included in payments previously sought from the United States, or any State Medicaid Program, including, but not limited to, payments sought in any cost report, cost statements, information reports, or payment requests already submitted by the Settling Hospitals or any of their current and former parent corporations, each of their direct and indirect subsidiaries, divisions, affiliates, brother and sister corporations, predecessors, successors and assigns along with the current and former employees, officers and directors of any of them, and will request, and agree, that such cost reports,

cost statements, information reports, or payment requests, even if already settled, be adjusted to account for the effect of the inclusion of the unallowable costs. The Settling Hospitals agree that the United States, at a minimum, will be entitled to recoup from the Settling Hospitals any overpayment plus applicable interest and penalties as a result of the inclusion of such unallowable costs on previously-submitted cost reports, information reports, cost statements, or requests for payment. If any Settling Hospital fails to identify such costs in past filed cost reports in conformity with this paragraph, the United States may seek an appropriate penalty or other sanction in addition to the recouped amount.

Any payments due after the adjustments have been made shall be paid to the United States pursuant to the direction of the Department of Justice and/or the affected agencies. The United States reserves its rights to disagree with any calculations submitted by the Settling Hospitals or any of their current and former parent corporations, each of their direct and indirect subsidiaries, divisions, affiliates, brother and sister corporations, predecessors, successors and assigns along with the current and former employees, officers and directors of any of them, on the effect of inclusion of unallowable costs (as defined in this Paragraph) on the cost reports, cost statements, or information reports of the Settling Hospitals or any of their

current and former parent corporations, each of their direct and indirect subsidiaries, divisions, affiliates, brother and sister corporations, predecessors, successors and assigns along with the current and former employees, officers and directors of any of them. Nothing in this Agreement shall constitute a waiver of the rights of the United States to examine or reexamine the unallowable costs described in this paragraph.

10. This Agreement is intended to be for the benefit of the Parties, only, including the Settling Hospitals and their current and former parent corporations, direct and indirect subsidiaries, divisions, affiliates, brother and sister corporations, predecessors, successors, and assigns, along with the current and former employees, officers, agents and directors of any of them, and by this instrument the Parties do not release any claims against any other person or entity, except to the extent specifically provided for in this Agreement.

11. The Settling Hospitals agree that they will not seek payment for any of the health care billings covered by this Agreement from any health care beneficiaries or their parents or sponsors. The Settling Hospitals waive any causes of action against these beneficiaries or their parents or sponsors based upon the claims for payment covered by this Agreement.

12. The Settling Hospitals expressly warrant that they have reviewed their financial situation and that they currently are

solvent within the meaning of 11 U.S.C. Section 547(b)(3), and will remain solvent following their payment to the United States hereunder. Further, the Parties expressly warrant that, in evaluating whether to execute this Agreement, the Parties (i) have intended that the mutual promises, covenants and obligations set forth herein constitute a contemporaneous exchange for new value given to the Settling Hospitals, within the meaning of 11 U.S.C. Section 547(c)(1), and (2) have concluded that these mutual promises, covenants and obligations do, in fact, constitute such a contemporaneous exchange.

13. In the event the Settling Hospitals, or any of them, commence, or a third party commences, within 91 days of full payment of the Settlement Amount, any case, proceeding, or other action (a) under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have any order for relief of the debts of any of the Settling Hospitals, or seeking to adjudicate any of the Settling Hospitals as bankrupt or insolvent, or (b) seeking appointment of a receiver, trustee, custodian or other similar official for the Settling Hospitals or any of them or for all or any substantial part of any of the Settling Hospitals' assets, the Settling Hospitals agree as follows:

a. The Settling Hospitals' obligations under this Agreement may not be avoided pursuant to 11 U.S.C. Section 547, and

the Settling Hospitals will not argue or otherwise take the position in any such case, proceeding or action that: (i) the Settling Hospitals' obligations under this Agreement may be avoided under 11 U.S.C. Section 547; (ii) any of the Settling Hospitals was insolvent at the time this Agreement was entered into, or became insolvent as a result of the payment made to the United States hereunder; or (iii) the mutual promises, covenants and obligations set forth in this Agreement do not constitute a contemporaneous exchange for new value given to the Settling Hospitals.

b. In the event that any of the Settling Hospitals' obligations hereunder are avoided for any reason, including, but not limited to, through the exercise of a trustee's avoidance powers under the Bankruptcy Code, and to the extent the avoided obligation is not otherwise fulfilled by other Settling Hospitals or third parties, the United States, at its sole option and upon 30 days' written notice and opportunity to cure such deficiency, may rescind the releases in this Agreement as to the Settling Hospital(s) whose obligations hereunder were avoided, and bring any civil and/or administrative claim, action or proceeding against such Settling Hospital(s) for the claims that would otherwise be covered by the releases provided in Paragraph 2-4, above. If the United States chooses to do so, the Settling Hospital(s) agree that (i) any such claims, actions or proceedings brought by the United States (including any proceedings to exclude the Settling

Hospital(s) from participation in federal health care programs) are not subject to an "automatic stay" pursuant to 11 U.S.C. Section 362(a) as a result of the action, case or proceeding described in the first clause of this Paragraph, and that the Settling Hospital(s) will not argue or otherwise contend that the United States' claims, actions or proceedings are subject to an automatic stay; and (ii) the Settling Hospitals will not plead, argue or otherwise raise any defenses under the theories of statute of limitations, laches, estoppel or similar theories, to any such civil or administrative claims, actions or proceeding which are brought by the United States within one hundred and eighty (180) calendar days of written notification to the Settling Hospital(s) that the releases herein have been rescinded pursuant to this Paragraph, except to the extent such defenses were available on the effective date of this Settlement Agreement. Nothing in this Paragraph is intended to limit the joint and several payment obligations to the United States of all Settling Hospitals in regard to the full Settlement Amount, as set forth in Paragraph III.1., including such portions of the Settlement Amount that remain unpaid in the event that payment obligations for one or more of the Settling Hospitals are avoided.

c. The Settling Hospitals acknowledge that their agreements in this Paragraph are provided in exchange for valuable consideration provided in this Agreement.

14. Each party to this Agreement will bear its own legal and other costs incurred in connection with this matter, including the preparation and performance of this Agreement.

15. The Settling Hospitals represent that this Agreement is freely and voluntarily entered into without any degree of duress or compulsion whatsoever.

16. This Agreement is governed by the laws of the United States. The Parties agree that the exclusive jurisdiction and venue for any dispute arising between and among the Parties under this Agreement will be the United States District Court for the Central District of California.

17. This Agreement constitutes the complete agreement between the Parties. This Agreement may not be amended except by written consent of the Parties. This Agreement is binding on all successors, transferees and assigns of the Settling Hospitals.

18. The undersigned individuals signing this Agreement on behalf of the Settling Hospitals represent and warrant that they are authorized by the Settling Hospitals to execute this Agreement. The undersigned United States signatories represent that they are signing this Agreement in their official capacities and that they are authorized to execute this Agreement.

19. This Agreement may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same agreement. Facsimiles of signatures shall

constitute acceptable, binding signatures for purposes of this Agreement.

20. This Agreement is effective on the date of signature of the last signatory to the Agreement.
