

Certifications of Fishmeal for Export to the EU

The EU has an “Annex C” certificate for fishmeal that is different from the Annex C certificate for nonmammalian protein. NOAA, National Marine Fisheries Service will do export certifications of fishmeal intended for animal consumption. The contact is Angela Ruple or her supervisor, Spencer Garrett III. They are located in Pascagoula, MS and may be reached at (228) 762-7402.
