

Information Management: Publishing and Printing

Index of FT LEE Forms and Form Letters

Summary. This pamphlet on FT LEE blank forms has been revised.

Applicability. The provisions of this pamphlet apply to all users of FT LEE blank forms.

Impact on the New Manning System. This pamphlet does not contain information that affects the New Manning System.

Interim Changes. Interim changes to this pamphlet are not official unless they are authenticated by the Director of Information Management. Users will destroy interim changes on their expiration dates unless sooner superseded or rescinded.

1. Purpose

The purpose of this pamphlet is to provide an updated listing of approved FT LEE blank forms, form letters (FL), labels, and posters.

2. References

AR 25-30 (The Army Integrated Publishing and Printing Program) is a related publication.

3. Responsibilities

Major organization commanders and chiefs of staff sections are responsible for reviewing Appendix A prior to submitting an application for a new form, label, poster, or form letter to determine if an approved form, label, poster, or form letter already exists which will satisfy the requirement. If the needed form does not exist, the forms assistant of each activity will follow the provisions in AR 25-30, para 3-2, in requesting approval for the new form.

4. Availability of Forms

DOIM assigns each approved form, label, poster, and form letter (FL) a control number for identification purposes and control. The Publication Section, does not stock any local forms. Activities are responsible for maintaining required stockage at their level.

5. Current FT LEE Forms, Form Letters (FL) Labels, and Posters See Appendix A for listing.

6. This publication is available on the FT LEE Homepage at <http://www.lee.army.mil>.

*This pamphlet supersedes CASCOM&FL Pam 25-30, Oct 90
