The Ministry of Foreign Affairs of the Government of the State of Qatar has the honor to confirm that the proposals set forth in the Embassy's note are acceptable to the Government of the State of Qatar and that the Embassy's note and this note in reply shall constitute an Agreement between the two Governments which shall enter into force on this date.
The Ministry takes this opportunity to convey to the esteemed Embassy its highest regards and respect.

To the Embassy of the United States of America/ Doha

With regard to the above-quoted note, the Embassy would like to clarify what it understands to be a non-substantive, typographical discrepancy between the third italicized paragraph above and the Embassy's note No. 0162, dated March 13, 2017. The Ministry's diplomatic note number 2018/0011312/5, dated 05/29/1439 AH, purports to quote the Embassy's note No. 162, by stating that:

The Ministry of Foreign Affairs of the State of Qatar, Department of American Affairs, presents its compliments to the esteemed Embassy of the United States of America in Doha and acknowledged receipt of the Embassy's Diplomatic Note No. 0162, dated March 13, 2017, which reads as follows:

The Ministry of Foreign Affairs of the State of Qatar, Department of American Affairs, has the honor to refer to earlier discussions between representatives of the two Governments regarding the Foreign Assistance Act of 1961 or successor legislation, the Arms Export Control Act, 10 U.S.C. § 2282, 10 U.S.C. § 333, and Department of Defense authorities, and the furnishing of defense articles, related training, including training materials, or other defense services, from the United States of America to the Government of the State of Qatar under such authorities:

In fact, however, the Embassy's note No. 0162 reads in relevant part as follows:

"The Embassy of the United States of America presents it compliments to the Ministry of the State of Qatar (Protocol Department) and has the honor to request the Ministry of Foreign Affairs' consideration of an end-user agreement for training services between U.S. Special Operations forces and members of the Qatar Armed Forces. U.S. law requires assurances from foreign governments..."
before furnishing defense-related articles on a grant basis. The U.S. Department of State has determined that an end-use agreement is necessary for ongoing counterterrorism training. The Embassy also requests that pending the Ministry of Foreign Affairs’ approval, the Ministry confirms that the proposals set forth in the Embassy’s note are acceptable to the Government of the State of Qatar.

The U.S. Embassy point-of-contact is Political-Military Affairs Officer Joel Todd Bullock (BullockJT@state.gov, email and 3307-6753, cell phone).

The Embassy of the United States of America avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the State of Qatar the assurances of its highest consideration.”

The Embassy’s Note no. 0162 then attaches the substantive terms of the Agreement. That attachment reads, in part:

“Begin Agreement Text:

The Embassy of the United States of America has the honor to propose that the Government of the United States of America and the Government of the State of Qatar agree:”

Thereafter, the text of the Embassy’s Note no. 0162 and the Ministry’s diplomatic note number 2018/0011312/5, dated 05/29/1439 AH are identical, and contain all of the substantive provisions of the Agreement proposed by the Embassy.

The Embassy identifies this non-substantive discrepancy merely for the record and assures the Ministry that it does not impact the operative portions of Embassy note No. 0162, dated March 13, 2017, or Ministry note number 2018/0011312/5, dated 05/29/1439 AH, corresponding to 02/14/2018 AD, which express the intention of our two
governments to enter into an agreement on the terms specified in the attachment to the Embassy’s note.

With this clarification, the Embassy has the honor to confirm that Embassy note No. 0162, dated March 13, 2017; Ministry note number 2018/0011312/5, dated 05/29/1439 AH, corresponding to 02/14/2018 AD; and this note constitute an agreement between the two Governments which entered into force on February 14, 2018.

The Embassy point of contact for this note is Mr. Thomas Rosenberger, Acting Deputy Chief of Mission, who can be reached via email: RosenbergerTM@state.gov, or mobile phone: 33758417.

The Embassy of the United States of America avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the State of Qatar the assurance of its highest consideration.
