CONSERVATION RESOURCES PROTECTION
PERSONAL USE FIREWOOD CONDITIONS
1. This permit authorizes cutting only at specified locations, times, dates, and
specifying species and size limits and does not authorize cutting
any other species of trees, nor does it authorize the cutting of
dead or living trees outside the specified location.
2. Ranger Districts may designate additional Firewood Cutting areas,
consistent with the Forest-Wide Personal Use Firewood
Conditions, to meet local needs.
3. Ranger Districts may designate additional Firewood Cutting areas
consistent with the Forest-Wide Personal Use Firewood
Conditions, to meet local needs.
4. The Forest-Wide Personal Use Firewood Conditions are subject to
change and the public is encouraged to review and become
familiar with the current conditions before entering the
Forest.
