The Embassy of the United States of America presents its compliments to
the Ministry of Foreign Affairs of the Islamic Republic of Afghanistan and has the
honor to refer to earlier discussions between representatives of the two
governments regarding the Foreign Assistance Act of 1961 or successor
legislation, including International Military Education and Training (IMET);

the furnishing on a grant basis of defense articles, related training, and other
defense services, from the United States of America to the Government of the
Islamic Republic of Afghanistan under such authorities.

In this regard, the Embassy has the honor to refer to the Agreement between
the Government of the United States of America and the Afghanistan Interim
Administration regarding grants under the Foreign Assistance Act of 1961, as
amended, or successor legislation, and the furnishing of defense articles, defense
services and related training, including pursuant to the United States IMET

Diplomatic Note
program, from the United States of America to the Afghanistan Interim Administration, effected by exchange of notes at Kabul on April 6 and 13, 2002 (2002 Agreement).

In connection with these discussions, the Embassy proposes that the Government of the Islamic Republic of Afghanistan agree:

A. That, unless the consent of the Government of the United States of America has been first obtained, the Government of the Islamic Republic of Afghanistan shall not:

(I) Permit any use of such defense articles, related training, including training materials, or other defense services by anyone not an officer, employee, or agent of the Government of the Islamic Republic of Afghanistan;

(II) Transfer, or permit any officer, employee, or agent of the Government of the Islamic Republic of Afghanistan to transfer, such defense articles, related training, including training materials, or other defense services by gift, sale, or otherwise; or

(III) Use, or permit the use of, such defense articles, related training, including training materials, or other defense services for purposes other than those for which provided.
B. That such defense articles, related training, including training materials, or other defense services shall be returned to the Government of the United States of America when they are no longer needed for the purposes for which they were furnished, unless the Government of the United States of America consents to another disposition;

C. That the net proceeds of sale received by Government of the Islamic Republic of Afghanistan in disposing of, with prior written consent of the Government of the United States of America, any defense article furnished by the Government of the United States of America on a grant basis, including scrap from any such defense article, shall be paid to the Government of the United States of America;

D. That the Government of the Islamic Republic of Afghanistan shall maintain the security of such defense articles, related training, including training materials, or other defense services; that it shall provide substantially the same degree of security protection as that afforded to such defense articles, related training, including training materials, or other defense services by the Government of the United States of America; and that it shall, as the Government of the United States of America may require, permit continuous observation, scheduled
inspections, physical inventories, and review by, and furnish necessary information
to, representatives of the Government of the United States of America with regard
to the use thereof by the Government of the Islamic Republic of Afghanistan; and

E. That the Government of the United States of America may also, from
time to time, make the provision of articles and services furnished under other
authority subject to the terms and conditions of the agreement proposed herein.

If the foregoing proposals are acceptable to the Government of the Islamic
Republic of Afghanistan, the Embassy proposes that this note and a note from the
Ministry of Foreign Affairs to that effect shall constitute an agreement between the
two Governments, which shall enter into force on the date of the Ministry’s note
and shall supersede in its entirety the aforementioned 2002 Agreement.

The Embassy of the United States of America avails itself of this
opportunity to renew to the Ministry of Foreign Affairs of the Islamic Republic of
Afghanistan the assurances of its highest consideration.
