These career areas offer training in the latest green technology and industry-based practices to prepare graduates for careers in the green economy.

Safety is a priority at Job Corps.

Security is on campus 'round the clock to ensure your safety.

Everything you'll need is on-center:

- Food
- Clothing for your training
- Friends and roommates at the dorm
- Extracurricular activities
- Intramural sports
- Some centers even have child development centers and solo parent dorms
- ... and much more!

Job Corps Career Transition Services will help you even after you graduate:

- Find a job and start a career
- Meet with potential employers
- Perfect your resume
- Practice interviewing skills
- Find housing, transportation, and child care

women in job corps

●●● on the path to success

Kelli, 19

Hometown
Oldsmar, Fla.

Career area
Carpentry

Why did you choose carpentry?

I've just always been interested in it. When I was younger, my dad and I would always build things at my grandma's house. My first real carpentry project was a doghouse I built when I was 10.

Advice for those considering Job Corps:

Do it. It's the best thing you could ever do.

Fahima, 18

Hometown
Miami, Fla.

Career area
HVAC

Future plans

Get a job working in HVAC while attending college for a business management degree.

What's the biggest challenge you've faced as a Job Corps student?

Being homesick. I miss my family, but I talk to them every day. They're my motivation and support for being here.

Andrea, 24

Hometown
Cali, Colombia, before moving to the United States at age 12

Career area
Clinical Medical Assistant

Future plans

Find a good job at a hospital to gain a better understanding of the medical field and eventually work in a pediatrician's office.

What's the best thing about Job Corps?

The staff is so helpful and caring. I love my center director. He's the reason I'm able to be here.

How do I know if Job Corps is for me?

I want to take advantage of free career training, housing, and health care and get paid at the same time.

YES NO

I want to go to a school where I have fun while I learn.

YES NO

I want to take care of myself.

YES NO

I know I need a high school diploma or GED to get a good job.

YES NO

If you answered yes to these questions, you are ready for Job Corps!

Administered by the U.S. Department of Labor, Job Corps is the nation's largest career technical training and education program for students ages 16 through 24. Job Corps is a U.S. Department of Labor Equal Opportunity Employer Program. Auxiliary aids and services are available upon request to individuals with disabilities. TDD/TTY telephone number is (877) 889-5627.
