

Protect American Agriculture!

Don't take prohibited fruits, vegetables,
or plants to the U.S. mainland.

Help safeguard our Nation's
food supply and environment.

For more information,
call Plant Protection and Quarantine at
(808) 834-3220.

The U.S. Department of Agriculture is an equal opportunity provider and employer.

United States Department of Agriculture • Animal and Plant Health Inspection Service

Program Aid No. 1863

Issued May 2006

Slightly revised May 2012
