5.11. The Parties recognize that, in performing Contracting responsibilities on behalf of the other Party, it may become necessary for the Contracting Party to incur contractual or other obligations for the benefit of the other Party prior to the receipt of the other Party's funds. In such event, the other Party shall make such funds available in such amounts and at such times as required by the Contract or other obligation and shall pay any damages and costs that may accrue from the performance or cancellation of the Contract or other obligation in advance of the time such payments, damages, or costs are due.

5.12. Each Party shall be responsible for the audit of its activities or its Contractors' activities pursuant to a PA. A Party's audits will be in accordance with its own national practices and the FMPD. For PA efforts where funds are transferred between the Parties, the receiving Party shall be responsible for the internal audit regarding administration of the other Party's funds in accordance

with the receiving Party's national practices. The receiving Party shall promptly make audit reports of such funds available to the other Party.

## ARTICLE VI

### CONTRACTUAL PROVISIONS

6.1. If either Party determines that Contracting is necessary to fulfill its obligations under the scope of work of a PA, that Party shall contract in accordance with its respective national laws, regulations and procedures.

6.2. When one Party individually contracts to carry out a task under a PA, it shall be solely responsible for its own contracting, and the other Party shall not be subject to any liability arising from such Contracts without its written consent.

6.3. The Parties may also determine that one Party's Contracting Agency should enter into a Contract to fulfill their joint PA obligations or the PA obligations of the non-contracting Party. That Contracting Agency shall contract for both Parties in accordance with its national laws, regulations, and procedures. If necessary to meet the requirements of a PA, the U.S. DoD's Contracting Officer or the MINDEF Contracting Agency shall seek deviations from national regulations and procedures wherever possible. Sources from both Parties' industries shall be allowed to compete on an equal basis for such Contracts. The U.S. DoD Contracting Officer or the MINDEF Contracting Agency shall be the exclusive source for providing contractual direction and instructions to Contractors for Contracts awarded by that Party.

6.4. For all Contracting activities performed by either Party, the POs shall, upon request, be provided a copy of all statements of work prior to the development of solicitations to ensure that they are consistent with the provisions of this Agreement and the applicable PA.

6.5. For all Contracting activities performed by either Party, each Party's Contracting Agency shall negotiate to obtain the rights to use and disclose Project Information required by Article VIII (Disclosure and Use of Project Information). Each Party's Contracting Agency shall insert into its prospective Contracts (and require its Contractors to insert in subcontracts) suitable provisions to satisfy the requirements of this Agreement, including Article VIII (Disclosure and Use of Project Information), Article IX (Controlled Unclassified Information), Article XI (Security), and Article XII (Third Party Sales and Transfers). During the Contracting process, each Party's Contracting Officer shall advise prospective Contractors of their obligation to notify the Contracting Agency immediately if they are subject to any license or agreement that will restrict that Party's freedom to disclose Project Information or permit its use. The Contracting Officer shall also advise prospective Contractors to employ their best efforts not to enter into any new agreement or arrangement that will result in such restrictions.

6.6. In the event a Party's Contracting Agency is unable to secure adequate rights to use and disclose Project Information as required by Article VIII (Disclosure and Use of Project Information), or is notified by Contractors or prospective Contractors of any restrictions on the disclosure and use of Project Information, that Party's PO shall notify the other Party's PO of the restriction(s).

6.7. Each Party's PO shall promptly advise the other Party's PO of any cost growth, schedule delay, or performance problems of any Contractor for which its Contracting Agency is responsible.

6.8. No requirement shall be imposed by either Party for worksharing or other industrial or commercial compensation in connection with this Agreement that is not in accordance with this Agreement or its PAs.

## ARTICLE VII

Unless the providing Party has authorized the Project Equipment to be expended or otherwise consumed without reimbursement to the providing Party, the receiving Party shall return the Project Equipment to the providing Party in as good condition as received, normal wear and tear excepted, or return the Project Equipment and pay the cost to restore it. If the Project Equipment is damaged beyond economical repair, the receiving Party shall return the Project Equipment to the providing Party (unless otherwise specified in writing by the providing Party) and pay its replacement value as computed pursuant to the providing Party's national laws and regulations. If the Project Equipment is lost while in the custody of the receiving Party, the receiving Party shall issue a certificate of loss to the providing Party and pay the replacement value as computed pursuant to the providing Party's national laws and regulations. If known at the time of entry into force, the replacement value of the Project Equipment shall be specified in the PA.

7.3. All Project Equipment that is transferred shall be used by the receiving Party only for the purposes of carrying out the activities under a PA. In addition, in accordance with Article XII (Third Party Sales and Transfers) Project Equipment shall not be re-transferred to a Third Party without the prior written consent of the providing Party.

7.4. The providing Party shall deliver Project Equipment to the receiving Party at a mutually agreed location. Possession of the Project Equipment shall pass from the providing Party to the receiving party at the time of receipt of the Project Equipment. Any further transportation is the responsibility of the receiving Party.

7.5. Project Equipment transferred to one Party under a PA shall be returned to the providing Party prior to the termination or expiration of that PA.

7.6. Any Project Equipment which is jointly acquired on behalf of both Parties for use under a PA shall be disposed of during the PA or when the PA ceases, as agreed or directed by the Steering Committee or, if no Steering Committee is established, the POs.

7.7. Disposal of jointly acquired Project Equipment may include a transfer of the interest of one Party in the Project Equipment to the other Party, or the sale of such Equipment to a Third Party in accordance with Article XII (Third Party Sales and Transfers). The Parties shall share the

consideration from jointly acquired Project Equipment transferred or sold to a Third Party in the same ratio as costs are shared under this Agreement in a manner they determine to be fair at the time.

11.2. Classified Information shall be transferred only through official government-to-government channels or through channels approved by the Designated Security Authorities (DSAs) of the Parties. Such information shall bear the level of classification and denote the country of origin, the conditions of release, and the fact that the information relates to this Agreement and the applicable PA.

11.3. Each Party shall take all lawful steps available to it to ensure that information provided or generated pursuant to this Agreement and any of its PAs is protected from further disclosure, except as permitted by paragraph 11.4., unless the other Party consents to such disclosure. Accordingly, each Party shall ensure that:

11.3.1. The recipient shall not release the Classified Information to any government, national, organization, or other entity of a Third Party without the prior written consent of the originating Party in accordance with the procedures set forth in Article XII (Third Party Sales and Transfers).

11.3.2. The recipient shall not use the Classified Information for other than the purposes provided for in this Agreement and any of its PAs.

11.3.3. The recipient shall comply with any distribution and access restrictions on information that is provided under this Agreement and any of its Annexes.

11.4. The Parties shall investigate all cases in which it is known or where there are grounds for suspecting that Classified Information provided or generated pursuant to this Agreement has been lost or disclosed to unauthorized persons or other entities. Each Party also shall promptly and fully inform the other Party of the details of any such occurrences, and of the final results of the investigation and of the corrective action taken to preclude recurrences.

11.5. The Designated Security Authority (DSA) of a Party that awards a classified Contract under this Agreement shall assume responsibility for administering within its territory security measures for the protection of the Classified Information, in accordance with its laws and regulations. Prior to the release to a Contractor, prospective Contractor, or subcontractor of any Classified Information provided or generated under this Agreement, the recipient Party shall:

- 11.5.1. Ensure that such Contractor, prospective Contractor, or subcontractor and its facility(ies) has the capability to protect the Classified Information adequately.

- 11.5.3. Grant a security clearance for all personnel whose duties require access to the Classified Information, if appropriate.

- 11.5.5. Carry out periodic security inspections of cleared facilities to ensure that the Classified Information is properly protected.
- 11.5.6. Ensure that access to the Classified Information is limited to those persons who have a need-to-know for purposes of the Project.

11.6. .. When a PA contains provisions for the exchange of Classified Information, the POs shall prepare a Project Security Instruction and a Classification Guide for the PA. The Project Security Instruction and the Classification Guide shall describe the methods by which Project Information and material shall be classified, marked, used, transmitted, and safeguarded. The Project Security Instruction and Classification Guide shall be developed by the POs within three months after the PA enters into force. They shall be reviewed and forwarded to the appropriate DSA and shall be applicable to all government and Contractor personnel participating in the Project. The Classification Guide shall be subject to regular review and revision with the aim of downgrading the classification whenever this is appropriate. The Project Security Instruction and the Classification Guide shall be approved by the appropriate DSA prior to the transfer of any Classified Information or Controlled Unclassified Information.

11.7. Contractors, prospective Contractors, or subcontractors which are determined by DSAs to be under financial, administrative, policy or management control of nationals or entities of a Third Party, may participate in a Contract or subcontract requiring access to Classified Information provided or generated pursuant to this Agreement and any of its PAs only when enforceable measures are in effect to ensure that nationals or other entities of a Third Party shall not have access to Classified Information. If enforceable measures are not in effect to preclude access by nationals or other entities of a Third Party, the other Party shall be consulted for approval prior to permitting such access.

11.8. For any facility wherein Classified Information is to be used, the responsible Party or Contractor shall approve the appointment of a person or persons to exercise effectively the responsibilities for safeguarding at such facility the information pertaining to this Agreement and any of its PAs. These officials shall be responsible for limiting access to Classified Information involved in this Agreement and any of its PAs to those persons who have been properly approved for access and have a need to know.

However, information exchanged pursuant to a Project Agreement may, on a case by case basis, be classified as high as SECRET if such exchange is sufficiently justified, and processed and approved in accordance with the national disclosure policies and procedures of the Parties. Each Party shall ensure that access to Classified Information is limited to those persons who possess requisite security clearances and have a specific need for access to the Classified Information in order to participate in a Project Agreement. The existence of this agreement is unclassified and its contents are unclassified.

12.1. Except to the extent permitted in paragraph 12.2., the Parties shall not sell, transfer title to, disclose, or transfer possession of Project Foreground Information (or any item produced either wholly or in part from the Project Foreground Information) or jointly acquired or produced Project Equipment to any Third Party without the prior written consent of the other Party's government. Furthermore, neither Party shall permit any such sale, disclosure, or transfer, including by the owner of the item, without the prior written consent of the other Party. Such consent shall not be given unless the government of the intended recipient agrees in writing with the Parties that it shall:

- 12.1.1. not retransfer, or permit the further retransfer of, any equipment or information provided; and
- 12.1.2. use, or permit the use of, the equipment or information provided only for the purposes specified by the Parties.

12.2. Each Party shall retain the right to sell, transfer title to, disclose, or transfer possession of Project Foreground Information that is:

- 12.2.1. generated solely by either Party or that Party's Contractors in the performance of that Party's work allocation under a PA or Article III (Scope of Work); and
- 12.2.2. which does not include any Project Foreground Information or Project Background Information of the other Party and whose generation, test, or evaluation has not relied on the use of Project Equipment of the other Party.

12.3. In the event questions arise whether the Project Foreground Information (or any item produced either wholly or in part from the Project Foreground Information) that a Party intends to sell, transfer title to, disclose, or transfer possession of to a Third Party is within the scope of paragraph 12.2., the matter shall be brought to the immediate attention of the other Party's PO. The Parties shall resolve the matter prior to any sale or other transfer of such Project Foreground Information (or any item produced either wholly or in part from the Project Foreground Information) to a Third Party.

12.4. A Party shall not sell, transfer title to, disclose, or transfer possession of Project Equipment or Project Background Information provided by the other Party, to any Third Party without the prior written consent of the Party's government that provided such equipment or information. The providing Party shall be solely responsible for authorizing such transfers and, as applicable, specifying the method and conditions for implementing such transfers.

With the exception of claims for loss of or damage to Project Equipment under Article VII (Project Equipment), each Party waives all claims against the other Party for injury to or death of its military or civilian personnel and for damage to or loss of its property caused by such personnel of that other Party. Employees and agents of Contractors shall not be considered to be civilian personnel employed by a Party for the purposes of this paragraph.

13.3.2. Claims from any other persons for injury, death, damage, or loss of any kind caused by one or both of the Parties' personnel shall be processed by the most appropriate Party, as determined by the Parties. Any costs determined to be owed the claimant shall be borne by the Parties in the same ratio as they share the financial and non-financial costs of the PA to which the claim is related. If, however, such loss or damage results from the reckless acts or reckless omissions, willful misconduct, or gross negligence of a Party or its personnel, the costs of liability will be borne by that Party alone.

13.4. In the case of damage to Project Equipment jointly acquired by the Parties under a PA, where the cost of making good such damage is not recoverable from other persons, such cost shall be borne by the Parties in the same ratio as they share the financial and non-financial costs of that PA.

13.5. Claims arising under any Contract awarded pursuant to Article VI (Contracting Provisions) of this Agreement shall be resolved in accordance with the provisions of the Contract.

## ARTICLE XIV

### CUSTOMS DUTIES, TAXES, AND SIMILAR CHARGES

14.1. Customs duties, import and export taxes, and similar charges shall be administered in accordance with each Party's respective laws and regulations. Insofar as existing national laws and regulations permit, the Parties shall endeavor to ensure that such readily identifiable duties, taxes and similar charges, as well as quantitative or other restrictions on imports and exports, are not imposed in connection with work carried out under each PA under this Agreement.

14.2. Each Party shall use its best efforts to ensure that customs duties, import and export taxes, and similar charges are administered in a manner favorable to the efficient and economical conduct of the work. If any such duties, taxes, or similar charges are levied, the Party in whose country they are levied shall bear such costs.

## ARTICLE XV

17.5. Either Party may terminate this Agreement or any of its PAs upon 90 days written notice of its intent to terminate to the other Party. Such notice shall be the subject of immediate consultation by the ADs to decide upon the appropriate course of action to conclude the activities under this Agreement and the subject of immediate consultation by the MAs to discuss how to conclude any terminated PAs. In the event of such termination, the following rules apply:

17.5.1. The terminating Party shall continue participation, financial or otherwise, in all PAs subject to the notice of termination, up to the effective date of termination.

For Contracts awarded on behalf of both Parties, the terminating Party shall pay all Contract modification and termination costs that would not otherwise have been incurred but for the decision to terminate. However, in no event shall a terminating Party's total financial contribution, including contract termination costs, exceed that Party's total financial contribution for the PA being terminated.

17.5.3. All Project Information and rights therein received under the provisions of this Agreement or PAs prior to termination of the Agreement or its PAs shall be retained by the Parties, subject to the provisions of this Agreement and its PAs.

17.7. This Agreement, which consists of seventeen (17) Articles and one Annex, shall enter into force upon signature by both Parties and shall remain in force for 10 years unless terminated by either Party. It may be extended by written agreement of the Parties. All PAs shall terminate upon the termination or expiration of this Agreement.

## APPENDIX (1)

### ASSIGNMENT OF (INSERT NAME OF PROJECT) COOPERATIVE PROJECT PERSONNEL

#### 1.0. Purpose and Scope.

- 1.1. This Appendix to the Project Agreement (PA) establishes the provisions that will govern the conduct of the Singapore MINDEF or U.S. DoD Cooperative Project Personnel. During the term of the PA, each Party will be permitted to assign Cooperative Project Personnel to the Joint Project Office (JPO), or to Singapore MINDEF or U.S. DoD field activities in accordance with this Appendix. Cooperative Project Personnel will be able to perform all the responsibilities for the positions assigned to them under this PA. Commencement of assignments will be subject to any requirements that may be imposed by the other Party or its government regarding acceptance of PA Cooperative Project Personnel, such as, but not limited to, visas and visit request documentation. The U.S. DoD and Singapore MINDEF SC representatives or in the event no SC is established, the POs, will determine the length of tour for the positions at the time of initial assignment.
- 1.2. Cooperative Project Personnel will be assigned to the JPO or to U.S. DoD or Singapore MINDEF field activities for Project work (including work at U.S. or Singapore contractor facilities) and will report to their designated supervisor within those organizations regarding that work. The designated supervisor shall be responsible for the creation of a document describing the duties of each CPP position, which will be subject to approval by the SC or, in the event no SC is established, the POs. Cooperative Project Personnel will not act as liaison officers for their parent organizations or governments. However, such personnel may act from time to time on behalf of their SC representative (or PO as applicable), if the latter so authorizes in writing.
- 1.3. Cooperative Project Personnel will not be assigned to command or other positions that would require them to exercise responsibilities that are reserved by law or regulation to an officer or employee of the host Government.

#### 2.0. Security.

- 2.1. The U.S. DoD and Singapore MINDEF SC representatives (or POs as applicable) will establish the maximum level of security clearance required, if any, to permit Cooperative Project Personnel to have access to Classified Information and facilities in which Classified Information is used in accordance

with the Project Security Instruction (PSI) and Classification Guide (CG). Access to Classified Information and facilities in which Classified Information is used will be consistent with, and limited by, Article III (Objectives) and Article IV (Scope of Work) of this PA and the corresponding provisions of this Appendix, and will be kept to the minimum required to accomplish the work assignments.

- 2.2. The parent Party shall file visit requests for the Cooperative Project Personnel through prescribed channels in compliance with the host Party's procedures. The Parties will cause security assurances to be filed, through their respective embassies, specifying the security clearances for the Cooperative Project Personnel being assigned. The security assurances will be prepared and forwarded through prescribed channels in compliance with established procedures.
- 2.3. The Parties will ensure that Cooperative Project Personnel assigned to the JPO or field activities are made aware of, and required to comply with, applicable laws and regulations as well as the requirements of Article VIII (Disclosure and Use of Project Information), Article IX (Controlled Unclassified Information), and Article XI (Security) of the Agreement, and the corresponding provisions of this Appendix, and the PSI and CG. Prior to commencing assigned duties, Cooperative Project Personnel will, if required by the host Party's laws, regulations, policies, or procedures, sign a certification concerning the conditions and responsibilities of Cooperative Project Personnel.
- 2.4. Cooperative Project Personnel will at all times be required to comply with the security and export laws, regulations, and procedures of the host Party, as briefed in accordance with paragraph 3.2 of this Appendix. Any violation of security or export procedures by Cooperative Project Personnel during their assignment will be reported to their parent organization and government for appropriate action and will be handled in accordance with relevant bilateral treaties and agreements, where applicable.
- 2.5. All Classified Information made available to Cooperative Project Personnel will be considered as Classified Information furnished to the Singapore MINDEF or U.S. DoD and will be subject to all of the provisions and safeguards provided for in this PA, this Appendix, the Agreement, the PSI and the CG.
- 2.6. Cooperative Project Personnel will not have personal custody of Classified Information or Controlled Unclassified Information, unless approved by the Project Office and as authorized by the parent organization. They will be granted access to such information in accordance with the provisions of the PSI during normal duty hours when access is necessary to perform Project work. They may not have unsupervised access to classified libraries or operating

centers, or to document catalogues, unless the information therein is releasable to the public.

- 2.7. Cooperative Project Personnel will not serve as a conduit between the U.S. DoD and the Singapore MINDEF for requests for and/or transmission of Classified Information or Controlled Unclassified Information unless specifically authorized by the PSI.

3.0. Administrative Matters.

- 3.1. Consistent with host Party's laws and regulations, and subject to applicable multilateral and bilateral treaties, agreements and arrangements, Cooperative Project Personnel will be subject to the same restrictions, conditions, and privileges as host Party personnel of comparable rank and in comparable assignments. Further, to the extent authorized by the host Party's laws and regulations, Cooperative Project Personnel and their authorized dependents will be accorded:

3.1.1. Exemption from any host Party tax upon income received from their parent organization or government.

3.1.2. Exemption from any host Party customs and import duties or similar charges levied on items entering the country for their official or personal use, including their baggage, household effects, and private motor vehicles.

- 3.2. Upon or shortly after arrival, Cooperative Project Personnel will be informed by the Project Office or host Party field activities about applicable laws, orders, regulations, and customs and the need to comply with them. Cooperative Project Personnel will also be provided briefings arranged by the Project Office or host Party field activities regarding applicable entitlements, privileges, and obligations such as:

3.2.1. Any medical or dental care that may be provided to Cooperative Project Personnel and their dependents at the host Party's medical facilities, subject to applicable laws and regulations, including reimbursement when required by such laws and regulations.

3.2.2. Purchasing and patronage privileges at military commissaries, exchanges, theaters, and clubs for Cooperative Project Personnel and their dependents, subject to applicable laws and regulations.

coverage in accordance with laws and regulations applicable in the area where they are residing. In case of claims involving the use of private motor vehicles by Cooperative Project Personnel and their dependents, the recourse will be against such insurance.

- 3.3. The POs, through the JPO and host Party field activities, will establish standard operating procedures for Cooperative Project Personnel in the following areas:
  - 3.3.1. Working hours, including holiday schedules.
  - 3.3.2. Leave authorization, consistent to the extent possible with the military or civilian personnel regulations and practices of both Parties.
