LINCOLN’S SPEECH

Hidden in this draft of the Gettysburg Address is the last line of the speech. There are two numbers, match the first to the line number and the second number to the letter to LEARN the ending of the speech. One letter is done for you.

Hint: Don’t count spaces between letters.

1. Four score and seven years ago our fathers brought forth on this continent, a new nation, conceived in Liberty, and dedicated to the proposition that all men are created equal. Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure.
2. We are met on a great battle-field of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live.
3. It is altogether fitting and proper that we should do this...

1 (2) 4 (2,10) (3,5) (2,10) (9,2) (1,2) (9,15).

6 (6,17) (1,18) (7,8) (2,10) (7,5) (9,15) (1,2) (1,4).

9 (2) (8,23) (3,5) (1,5) (8,5)
