US-Canada Relations: Bridging the Common Border

October 2005
INTRODUCTION

This *Special Bibliography Series*, Number 105, “US-Canada Relations: Bridging the Common Border,” was developed by Social Sciences Bibliographer and Reference Librarian Frances K. Scott in support of the 48th annual Academy Assembly to be held at the Air Force Academy, 7 – 10 February 2006.

Each year, beginning in 1959, the Air Force Academy sponsors the Academy Assembly as a forum for college students to discuss contemporary public issues. In support of that effort, the McDermott Library develops a bibliography of books and journal articles focusing on the current year’s topic. In order to help participants have a common basis for the discussions, a new section is added this year, “Assembly Director’s Picks,” which provides a highly selected list of books and articles that each participant may wish to review prior to attending the Assembly. The call number listed at the end of each citation is typically the call number assigned by the Library of Congress, which most libraries use when adding books to their collections.

If you are a participant in this year’s Academy Assembly, we welcome you to your Air Force Academy. We hope that during your stay you will have the opportunity to visit the Academy’s McDermott Library, located at the north end of Fairchild Hall.

We are pleased to make this bibliography available to other libraries free of charge as part of the Academy Library’s gifts and exchanges program. Libraries wishing to receive this bibliography or to be on the permanent mailing list for future bibliographies should write to:
