Re: Dr. Henry Rothschild

Dear Bill:

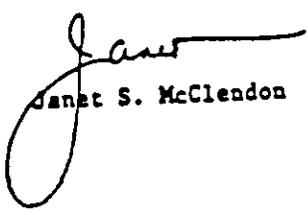

At Tim Finnegan's request and in his absence, I enclose a copy of Dr. Henry Rothschild's letter to us, dated April 17, 1979, together with his proposal for additional research ("Request for Funding for 1979-1980"). As you will see, he is requesting \$35,251 for research during the coming year. We understand that Dr. Rothschild intends to seek a CTR grant for any further research after the coming year. Also enclosed for your convenience is a copy of our letter to you of February 17, 1978 regarding his current research, Dr. Rothschild's "Progress Report (1978-1979)," and a manuscript that he has recently submitted for publication.

Tim has discussed Dr. Rothschild's proposal with Dr. Gardner, who is of the view that this research is worthwhile and should be approved as a special project. Tim and I concur in this view.

Would you please give us a call after you have had an opportunity to review this material, so that we may discuss how we might proceed.

Yours sincerely,

RC-6033435
