Re: Dr. Carl C. Seltzer

Gentlemen:

Dr. Seltzer has requested renewal of his CTR Special Project for the period July 1, 1986, through June 30, 1987, in the amount of \$70,000.00. Dr. Seltzer's current project, funded at the same level since 1979, will terminate June 30, 1986.

Dr. Seltzer has remained active in the past year analyzing literature dealing with heart disease and putting forth his scientific views on the relationship between smoking and heart disease. He is currently undertaking a review of the Framingham study for publication in an appropriate scientific journal.

We recommend approval of the project.

Sincerely,

  
Donald K. Hoel
