OF COUNSEL

November 26, 1980

Arthur J. Stevens

Dr. Arthur Furst was in Kansas City on November 18 and 19 for discussions on a number of current topics. Over the past several years we have found his contributions invaluable and would like to renew his grant at a level of \$30,000 for 1981. Dr. Furst's 1980 grant was for \$24,000, but we anticipate that his time commitment will be greater during 1981. We have asked him, in fact, not to become involved in any matter which would jeopardize his ability to review pertinent smoking and health literature, provide us with opinions on research projects, meet with other scientists, and the like. The \$30,000 will cover time and expenses, including most travel expenses.

I would appreciate hearing from you with regard to this request.

Sincerely,

Bill Shinn
