Council on Tobacco Policy
Lit. Ret. Div.

To: D. W. Welsh

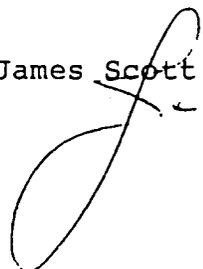

Date: 7/8/75

From: James Scott Hill

Subject: _____

I attach copy of Henry Ramm's reply to my letter of June 25, 1975. Joe Greer and I agree that in the light of the Pines case, we would be on very weak ground to withhold our consent for what will be a very small additional cost for the Literature Retrieval Division. I have accordingly signed and returned to Mr. Ramm copy of his letter of June 18, 1975.
