At the April 27 meeting in New York City on the legal information storage and retrieval system, a number of documents relating to the "scope of coverage" of the system were discussed. These included: (1) a revised "scope of coverage" (5 pages), as proposed by the Literature Committee, dated April 25; (2) alternative proposals (single sheet), dated April 25; (3) proposals for document listing (single sheet), dated April 25; (4) proposals for author entries (single sheet), dated April 25; (5) illustration of author comment in Edelman, *et. al.*, "The Effects of Cigarette Smoking Upon Spirometric Performance of Community Dwelling Men" (9 pages), dated November 24, 1965; and (6) categories for the classification of materials (5 pages), dated March 24. Some of these documents were passed out at the meeting; others were not. A complete set is enclosed herewith for your information.
