Mr. John B. Denniston
Covington & Burling
Union Trust Building
Washington, D. C. 20005

Dear John:

I have signed the enclosed copy of your amendments, and I have agreed to these changes.

I would like to mention that where you refer to titles as in #8, it does not apply to the present system since we are not including titles in the computer file. This change is a result of Covington & Burling's wish to have only descriptors plus accession numbers printed-out from the computer.

I did not make any change in your letter since it is agreeable with 3i to provide titles as a print-out in the future, as proposed, if desired.

With best wishes,

Sincerely yours,
