MR. WHITE:

ARTHUR D. LITTLE AGREEMENT

Both Mr. Morgenthauer and myself have reviewed the attached agreement with Arthur D. Little. Mr. Morgenthauer states that he does not believe there are any problems with this agreement.

After meeting with Ted Lorenz, he clarified several areas of terminology in which I had questions. On this basis we feel that it is satisfactory for you to sign the attached and will start operating under phases three and four of this agreement as soon as possible.
