TO: LEGAL COUNSEL

For those of you who did not have an opportunity to see or hear the Edward R. Murrow broadcast, "See It Now" last Tuesday, June 7th, we are enclosing herewith a transcript of the program.

We see no reason for you to include this in any of your volumes of material, but are sending it to you as information.

We wish to call your particular attention to the statement made by Dr. Harry S. N. Greene of Yale University, which starts on Page 5.
