

December 2, 1954

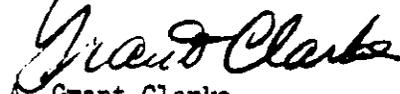

TO: LEGAL COUNSEL

We are enclosing herewith the following listed pages of abstracts for inclusion in the 1954 Volume. We would like to particularly call your attention to Item 1954 - z28 which is a discussion of diagnostic procedures, their success and failure, and Item 1954 - z29, both taken from the BRITISH MEDICAL JOURNAL.

You will note also in Item 1954 - z30 it has been reported that 3:4-benzopyrene is a proven constituent of cigarette smoke.

Item 1954- z32 is another discussion of the problems of diagnosis of peripheral lung cancer.

Yours very truly,

A. Grant Clarke
