Dear Dr. Bates:

On April 21 we shipped to Arthur Diesing six cartons containing the following:

- 1) Aperture card deck #9
- 2) A two-volume KWIC index.

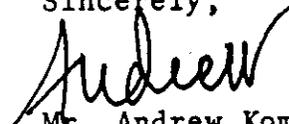

The card deck sent to you has been in use here and was not inventoried. We will send replacements for any cards which, from time to time, are discovered to be missing.

We are currently shipping new cards each Friday and suggest that they be filed as received in order to prevent an unwieldy backlog.

Author, journal and affiliation authority lists are being shipped today.

Please feel free to call on us for any assistance or questions you may have.

Sincerely,

Mr. Andrew Komendantov  
Manager of User Service
