Dear Charlie:

I regret to inform you that another change has been made in the plans for updating Part I of our submission to the Surgeon General's Advisory Committee. It has been decided to defray the cost of this study through our "Central File" and I suggest to you that you send the bills to Donald J. Cohn, Esq. at Webster, Sheffield, Fleischmann, Hitchcock & Chrystie and he will see that remittances are made through the Central File Account.

By copy of this letter, I am suggesting to Don that he sign a copy of the proposal on behalf of Webster, Sheffield, Fleischmann, Hitchcock & Chrystie, which will handle the matter through the Central File Account. You can then return the signed copy along with the initial page addressed to Webster, Sheffield, Fleischmann, Hitchcock & Chrystie instead of CTR.

I will explain this more fully when we talk next.

Faithfully yours,

FPH:nd
