

UNCONVENTIONAL WARFARE
PART I
GUERRILLA WARFARE

U.S. AIR FORCE ACADEMY
LIBRARY

Special Bibliography Series
No. 21

May 1962

This bibliography is the first in a series dealing with the general topic of Unconventional Warfare. Additional bibliographies to be published in the near future will include other facets such as Psychological Warfare and Escape and Evasion.

This bibliography represents a selected portion of the holdings of the Air Force Academy Library on this subject, It was prepared by members of the Library staff in conjunction with the Department of History

TABLE OF CONTENTS

SECTION I	BACKGROUND - - - - -	1
SECTION II	THEORY, STRATEGY, AND TACTICS - - -	4
SECTION III	HISTORY OF GUERRILLA OPERATIONS - -	11
SECTION IV	PARTISAN AND RESISTANCE OPERATIONS -	19
SECTION V	UNDERGROUND ACTIVITIES - - - - -	22
SECTION VI	TACTICAL TRAINING - - - - -	24
SECTION VII	BOOKS ON ORDER - - - - -	26
SECTION VIII	GLOSSARY - - - - -	34

Section I - Background

Section VIII - Glossary

(**Note:** Definitions are those prepared by the U. S. Department of Defense.)

Civic action - The use of **military** forces on projects useful to populace at all levels in such **fields** as education, training, public works, agriculture, transportation, communications, health, sanitation, and others helpful to economic **and** social development.

Clandestine Operations - Unconventional warfare, intelligence, counterintelligence, and other operations sponsored or conducted by governmental departments or agencies against another nation, using secret or illicit **means**.

~~Cold war~~ - **The** use of political, economic, technological, sociological, psychological, and **military** measures short of overt armed conflict involving regular **military** forces to achieve national **objectives**., **Cold** war includes **periods** of increased international **tension**, accelerated paramilitary activities, and increased activity by military forces.

Counterespionage - A **category** of counterintelligence, the objective of which is the detection and neutralization of **foreign** espionage.

Counter guerrilla warfare - **Offensive** operations conducted by **armed** forces **and/or** nonmilitary agencies of **an** established government **and/or** its **allies** against guerrilla forces.

Counterinsurgency - The entire scope of military, paramilitary, political, economic, psychological, and civic actions taken by or in conjunction with the government of a nation to defeat insurgency.

Counterintelligence - That phase of intelligence covering **all** activity devoted to destroying the effectiveness of inimical foreign intelligence activities, and to the protection of **information** against espionage, personnel against subversion, and installations or materiel against sabotage.

Countersabotage - **Action** designed to destroy the effectiveness of foreign sabotage activities through the process of identifying, penetrating, and manipulating, neutralizing, or repressing individuals, groups, or organizations conducting or capable of conducting such activities.

Countersubversion - That part of counterintelligence which is devoted to destroying the effectiveness of inimical subversive activities through the detection, identification, **exploitation, penetration, manipulation, deception, and** repression of individuals, groups, or **organizations** conducting or capable of conducting such activities.

Covert operations - **Operations** which are **so** planned and executed **as** to conceal, the identity of **the** responsible government .

Economic action - The planned use of **economic** measures designed to influence the policies or **actions** of another **state, e. g., to impair the war-making** potential of **a hostile power, or to generate economic** stability within **a friendly power.**

Economic warfare - Aggressive use of **economic** means to achieve national objectives.

Evasion and escape - See Unconventional warfare.

Guerrilla - A combatant who participates in guerrilla warfare.

Insurgency - Subversive political activity, civil rebellion, revolt, or insurrection designed to weaken and/or overthrow a duly constituted government or occupying power.

Irregular forces - Armed individuals or groups who are not **members** of regular armed forces.

Paramilitary forces - Forces distinct from recognized armed forces, professedly nonmilitary, but formed on an underlying military pattern as a potential auxiliary or diversionary military organization.

Paramilitary operation - An operation undertaken by a paramilitary force which either by its tactics or its requirements in military-type personnel, equipment, or training approximates a conventional military operation. It may be undertaken in support of an existing friendly government or in support of a group seeking to overthrow a government. Such an operation may be overt or covert or a combination of both.

Political warfare - **Aggressive** use of political means to achieve national objectives.

Propaganda - Any information, ideas, doctrines, or special appeals disseminated to influence the opinions, emotions, attitudes, or behavior of any specified group in order to benefit the sponsor, either directly or indirectly.

Black - Propaganda which purports to emanate from from a source other than the true one.

Grey - Propaganda which does not specifically identify any source.

White - Propaganda **disseminated** and acknowledged by the sponsor or by an accredited agency thereof.

psychological activities - Those **activities** conducted in peacetime, or in areas outside of active military theaters of war, which are planned and conducted to influence the **emotions**, attitudes, or behavior of foreign groups in ways favorable to the achievement of national objectives.

Psychological operations - This **term** includes **psychological** activities and psychological warfare and encompasses those political, military, economic, and ideological actions planned and conducted to create in enemy, hostile, neutral, or friendly foreign groups the emotions, attitudes, or behavior **favorable** to the achievement of national objectives

Psychological warfare - The planned use in time of war or declared emergency of propaganda, and exploitation of other actions, with the primary purpose of influencing the opinions, emotions, attitudes, and **behavior** of enemy, neutral, or friendly foreign groups in such **a way as** to support the achievement of national objectives.

Subversion against hostile states (resistance) - See Unconventional warfare.

Subversive political action - A planned **series** of activities **designed to accomplish** political objectives by influencing, **dominating**, or displacing individuals or groups who are so placed as to affect the decisions and actions of another **government**.

Unconventional warfare - Includes the three interrelated fields of guerrilla warfare, evasion and escape, and subversion against hostile states. Unconventional **warfare** operations are conducted within enemy or enemy-controlled territory by predominantly indigenous personnel, usually supported and directed in varying degrees by an external source,

Evasion and escape (E&E) - The procedures and operations whereby military personnel and other selected individuals are enabled to emerge from an enemy-held or hostile area to areas under friendly control.

Guerrilla warfare (GW) - Combat operations conducted generally in enemy-held territory by predominantly indigenous forces on a military or paramilitary basis to reduce the combat effectiveness, war potential (industrial, economic, political, and military), and morale of the enemy.

Subversion against hostile states (Resistance) - Actions by underground groups of predominantly indigenous origin to reduce the military, economic, psychological, or political strength of the controlling regime of an unfriendly state,

SPECTRUM OF WARFARE
